This incredible new build Contemporary has industrial/farmhouse finishes inside and out.

Up the stamped concrete walkway, through the double door entry awaits the wide 2-story foyer that features a unique chandelier.

To the left of the foyer is a bonus room with closet, and full bath -- an excellent space for guests or a home office. To the right of the foyer is the formal dining room.

The open family room is bright with natural light and includes a cozy gas fireplace and access to the stamped concrete patio.

Stunning u-shaped kitchen displays country white cabinetry, topped with granite, beautifully contrasting against the tile and stainless-steel backsplash.
